About our Community Awards

Recognising outstanding achievement

In its ninth year, the Community Awards shine a light on our outstanding performers, bringing exceptional people together to recognise the tremendous achievements of our officers and our teams.

Whether it is for a remarkable act of bravery, exceptional commitment, great innovation or tremendous team work, we want to celebrate their success. And we'd love you to join us.

The Community Awards 2018 will take place on 13 September 2018 at Sopwell House, St Albans.

This prestigious occasion really is a fantastic opportunity to bring our finalists together and celebrate our success with colleagues, clients and supporters.
